

Spring Newsletter 2008 On the River

"As Spring 2008 unfolds on the Thames I realise why this swift flowing, sparkling river draws and inspires me every season, every day.

Veuve Clicquot Champagne approached us with the same passion and together we have created a stylishly designed calendar of cruises to celebrate every month. Our joint aim is to offer our guests the experience of a private yacht – launching with fifty couples enjoying an ultra luxe 'Veuve Clicquot Rose Saint Valentines Dinner' in association with Marc Jacobs at Waterford Crystal.

The brand new, twice monthly Veuve Clicquot Cruise offers bespoke, seasonal menus onboard our flagship the Silver Sturgeon – with the Veuve Clicquot Sun Deck Bar launching in April. Or for a more relaxed night with music, book our Summer Parties with gorgeous deck barbeques – a rare and exclusive chance to enjoy an evening onboard without an entire private charter.

We thank our fantastic in-house caterers, 'rhubarb' on the river (a division of 'rhubarb' food design) who have added the final artistic, delicious, cutting edge touch to all our event menus making them a perfect distillation of everything vibrant, modern London offers." **Tom Woods - Managing Director**
